WELCOME!

Where classic Kiwi comfort meets Thai-Fusion fun.
Let's eat, laugh, and enjoy the Crazy Horse Vibes!

Great Food, Great Feeling!

Where it started | Why Crazy Horse?

In 2014, two friends — a Kiwi and a Thai — set off on a rock-climbing adventure deep in the hills north of Chiang Mai. The cliffs they climbed were known as Crazy Horse, named for a towering rock face shaped like a wild horse, its two stone ears visible for miles.

On the third day, they lost their way in the bamboo forest as dusk closed in. With darkness falling, the sounds of the jungle rising, snakes, scorpions and fire-ants, the idea of a good night's sleep began to fade. ...

— until, through the trees, they caught sight of the ears of Crazy Horse gleaming against the last light. Guided by Crazy Horse, they found their way home.

Three years later, Jules and Jummi faced a new challenge — taking over the legendary Thai Orchid and creating its bold, spirited sibling: Crazy Horse. A name born from adventure, friendship, and a touch of crazy!

We hope you too may find yourselves to Crazy Horse time and time again. Let's share your stories, meet new friends and make some fond memories!

Enjoy great food with a great feeling!

Warmly,
Your hosts, J & J
